Post Office Savings Bank, Canada.

287 POST OFFICE SAVINGS BANKS in Ontario and Quebec are open daily for the receipt and re-payment of deposits, during the ordinary hours of Post Office business.

The direct security of the Dominion is given by the Statute for all deposits made.

A depositor in any of the Savings Bank Post Offices may continue his deposits at any other of such offices, without notice or change of Pass Book, and can withdraw money at that Savings Bank Office which is most convenient to him.

Each depositor is supplied with a Pass Book, which is to be produced to the Postmaster every time the depositor pays in or withdraws money, and the sums paid in or withdrawn are entered therein by the Postmaster receiving or paying the same.

Each depositor's account is kept in the Postmaster General's Office, in Ottawa, and in addition to the Postmaster's receipt in the Pass Book, a direct acknowledgment from the Postmaster General for each sum paid in is sent to the depositor. If this acknowledgment does not reach the depositor within ten days from the date of his deposit, he must apply immediately to the Postmaster General, by letter, being careful to give his address, and, if necessary, write again, because the Postmaster's receipt or entry in the Pass Book is not sufficient without the further receipt for the money from Ottawa.

Every depositor must send his book, once a year, viz., on the anniversary of his first deposit, for comparison with the Books of the Department, and for insertion of interest. The book will be returned to him by first mail. At no other time should a depositor suffer his book to be out of his own possession.

When a depositor wishes to withdraw money, he can do so by applying to the Postmaster General, who will send him by return mail a cheque for the amount, payable at whatever Savings Bank Post Office the depositor may have named in his application.

Interest at the rate of 4 per cent. per annum is allowed on deposits, and the interest is added to the principal on the 30th June in each year.

Postmasters are forbidden by law to disclose the names of any depositor, or the amount of any sum deposited or withdrawn.

No charge is made to depositors on paying in or drawing out money, nor for Pass Books, nor for postage on communications with the Postmaster General in relation to their deposits.

The Postmaster General is always ready to receive and attend to all applications, complaints, or other communications addressed to him by depositors or others, relative to Post Office Savings Bank business.

The Dominion Lands of Canada.

These Lands are situated in Manitoba and the North West Territories.

The system of Survey is rectangular, the township being six miles square, divided into 36 sections of one mile square each, which latter are subdivided on the ground into quarter sections of 160 acres each.

Sections 11 and 29, amounting to 1280 acres, in each township, are dedicated to the purposes of public schools.

Sections 8 and 26 in each township represent the one-twentieth reserved throughout the "fertile belt" to the Hudson Bay Company, under the Deed of Surrender.

Dominion lands open for sale or settlement may be purchased for cash at one dollar per acre, may be entered by Military Bounty Warrant, or may be entered as homesteads for actual settlement.

Homestead settlers pay a fee of $10.00 at the time of entry for the land, and are required to reside upon and cultivate the quarter section entered as a homestead, for three years, upon which they get a patent free.

The homestead settler has also the privilege of entering for an adjoining quarter-section of land as a homestead reserve, of which he is admitted into immediate possession and cultivation, and for which, on the completion of his homestead conditions, he may acquire the full title on the payment of one dollar per acre.

Coal lands are not subject to the operation of the Homestead Provision of the Dominion Lands Act.

Persons desiring to carry on coal mining in unsurveyed territory, may apply to purchase, sending forward the description by a Dominion Land Surveyor, setting forth generally the situation and dimensions of the land, and accompanying the same by the price thereof, estimating the number of acres, which shall not exceed 640, at the rate of one dollar per acre.

The Minister of the Interior, with the view of preventing undue monopoly in Coal lands, may, in his discretion, on a township being surveyed, exempt from sale and settlement the lands in such township containing Coal, excepting those on which mining may have been carried on under the above regulations, and may subsequently sell or otherwise deal with the same in such manner as may be deemed expedient by the Governor in Council.

The Dominion Lands Act is not intended to apply to territory over which the Indian title may not at the time have been extinguished.

The above is merely a synopsis of the law embracing the policy connected with the Administration of the Dominion Lands. Persons wishing more full and complete information are referred to the Dominion Lands Act.

All communications relating generally to the Dominion Lands to be addressed to the Minister of the Interior, at Ottawa.

All specific applications to enter Surveyed Lands should be adressed to the Agent of Dominion Lands, Winnipeg, Canada.

By Order,

J. S. DENNIS.
